EAST PARK **Riding for the Disabled Group**

We wish Dormansland Horse and Dog Show a successful day and are very grateful to be one of their chosen charities again this year.

East Park RDA, a registered charity based at Little Brook Equestrian in Newchapel, provides 7 riding sessions per week for children with learning or physical disabilities from local schools. With 6 children per session, we give 42 children a week a chance to enjoy the benefits that riding brings to the disabled. We also provide carriage-driving sessions for both ambulant and wheelchair-bound adults and children.

We are entirely self-funded, so we rely on fund-raising events, donations, sponsorship and grants. We also rely heavily on volunteers, up to three per rider, to assist the children.

If you would like further information, or to donate, please see our website www.eastparkrda.org.uk. To volunteer, please contact our Chief Instructor, Sally O'Neill, at Little Brook, on 01342 837546.

Keep us flying high

Here at Air Ambulance Kent Surrey Sussex, we strive to save lives by providing the best possible care every minute of the day, every day of the year. We are an independent charity, so every penny we receive is truly valued.

Last year alone, we were called out to help over 2,000 people in life-threatening conditions. We never stop innovating and improving the care we can give, which means every donation we receive is vital.

The Stables Nursery is housed in a Scandi style purpose built building which is set within the countryside and is easily accessible from the local towns and villages including East Grinstead, Lingfield and Dormansland.

.

We are an independent day nursery owned by Sarah Porter. She is a fully qualified Primary School teacher, acquiring the nursery in September 2016 and has developed the setting into a full time day nursery catering for children from birth until they leave for school. We have built strong links with the community and we are proud to be a part of so many local families lives.

.

The children have access to various areas which include: the private enclosed fields, the den, the front and back garden and the main nursery room with access to the garden at all times. We follow the children's interests to foster a lifelong love of learning both inside and outside the nursery. All children have the opportunity to participate in The Forest School sessions which run from 9am-3pm daily. We embrace all seasons and allow the children to develop their own knowledge and understanding of the world through outdoor play whilst encouraging them to assess risks and build on their resilience.
